

NEWSLETTER INFORMATION

The Armenian Student Association (ASA) was established in 1976 with the goal to promote and encourage appreciation for the Armenian language, history, culture, and heritage through various academic, social, and community events. Our organization throughout its history has worked to preserve the cultural identity and showcase Armenian heritage through an array of events in efforts to enlighten all students with the understanding of the Armenian spirit and the struggles for survival of our ancestors. The Annual Armenian Culture Day is the Armenian Student Association's largest event for the fall semester, which introduces and educates our CSUN students about the Armenian culture and heritage.

The official newsletter of the CSUN ASA, "Inch Ka Chka", started in the year 2005 and has grown in popularity and quality ever since. "Inch Ka Chka" gives our members the chance to express themselves in various of ways, informs others about current news, art and culture, student life, and much more. For the first time, starting this Fall 2010, "Inch Ka Chka" is in Color Print and is being electronic distributed to thousands of recipients!
